---

### **Core Values**

- **Technology based Education**

In addition to the classroom teachings, strives to add state-of-the-art education technologies every year for the benefit of the faculty and students for effective teaching, learning, assessment and evaluation to make them future-ready.

- **Industry Interaction**

Aims for a strong industry connect through domain expertise and best-practices-sharing for curriculum design, training of the faculty and students, consultancy activities, joint publications and industry based research projects.

- **Eco Friendly campus**

Supports eco-friendly environment through facilities that range from a splendid lush green campus to world-class green-building infrastructure. Sona encourages innovative energy and water efficiency measures for a resource-efficient future.

- **Community development**

Empowers the under-privileged and the socially disadvantaged sectors of the community by offering Training and Development in **Employability Skills and Entrepreneurship Initiatives** with the participation of the community and in collaboration with the Government and Corporate.

- **Global Vision**

Plans and performs with a global vision: To become an Institute of great repute, in the fields of Science, Applied Science, Engineering, Technology and Management studies, by offering a full range of programmes of Global standard to foster research, and to transform the students in to Globally competent personalities.

- **Transparency:**

The Institute will function according to defined procedures and rules, which will be informed to all stakeholders. The Institute will make public all important information related to its functioning.

## Vision

To be a leading global technology university that provides a transformative education to create leaders and innovators, and generates new knowledge for society and industry.

## Mission

- To create an ambience in which new ideas, research and scholarship flourish, and from which the leaders and innovators of tomorrow emerge.
- To address problems faced by the nation and the world through the talent we nurture and the research we do.
- To provide an education that transforms students through rigorous coursework and by providing an understanding of the needs of society and industry.
- To collaborate with other academic and research institutes around the world to strengthen the education and research ecosystem.

## Core Values

The core values adopted by the Institute as enduring principles are Integrity, Excellence, Accountability, Transparency, and Empathy.

- **Integrity:** Research and teaching shall be carried out in an environment of academic freedom and honesty. The Institute will adhere to the highest standards of ethics in all its activities.
- **Excellence:** The Institute is committed to excellence in all spheres of its activities, and through internal and external reviews, will work towards continuous improvement. The Institute will recognise exceptional efforts through awards and honours.
- **Accountability:** IIT Bombay, an Institute of National Importance established by an Act of Parliament, has been a recipient of public funds and recognizes that it is accountable to the people of India (through the IIT Council and Board of Governors of IIT Bombay) and to all its immediate stakeholders including students, staff, faculty, alumni and industry.
- **Transparency:** The Institute will function according to defined procedures and rules, which will be informed to all stakeholders. The Institute will make public all important information related to its functioning.
- **Empathy:** An awareness of the conditions of the weaker sections of our society and contributions towards solution of their problems will form an integral part of the research and education programmes of the Institute.

## Goals

1. Enhance engagement with society and industry
2. Broaden educational areas
3. Improve internal support systems
4. Enhance student experience
5. Broaden funding base
6. Attract international students and faculty
7. Advance frontiers of knowledge
8. Enhance diversity
9. Enhance alumni engagement
10. Develop a cleaner and greener campus

(Revised Vision, Mission and Goals dated 29 December 2017)
